Sensational Centenarian!

Sidney Patterson is a “Sensational Centenarian”! Born in Montana in 1911, Sidney is a member of the fastest growing segment of our society—Centenarians (people 100 + years young).

In developed countries the prevalence of centenarians is approximately 1-in-6,000. So breaking the century mark today is an attainable goal for many people. Studies

Throughout his life Sidney has always been both engaged and engaging. He has led a very full and active life. His daughter Sydney speaks fondly of the many wonderful cars her Dad owned over the years pursuing his long time interest as a car enthusiasts and collector.

Sidney, with his wife Dorothy, an accomplished painter, spent many hours in their home studio. Sidney honed his skills as a portrait painter under the tutelage of his “Darling Dorothy.”

Additionally, throughout his life Sidney was an avid gymnast, participating in gymnastics with his friends for many years.

When seen in the accompanying photo, with his very young appearing daughter, Sydney, it gives one pause.

indicate that if your parents cross into the triple-digit club, you have a far greater chance than the rest of us.

Some researches have concluded that exceptional longevity does indeed run in families. But they cannot say how much is due to genetics or lifestyle and environmental factors. In chatting with Sidney, it became clear that he shares many of the typical characteristics of others who reach this benchmark.

As with most centenarians, Sidney enjoyed very good health well into his late 90s. In fact when Sidney first enrolled in our Meals On Wheels program one of our

volunteers who delivered his meals questioned whether he was old enough to participate. He was in his 90s at the time.

When seeking the answer to long life: is it good genes, good habits or just good luck?

Researchers have found that the children of centenarians tend to be fitter and healthier than their peers. But, researchers have yet to determine if children of centenarians have just inherited good genes or if they have learned better lifestyle habits from their very special parents like Sidney!

Remembering Meals on Wheels

Meals on Wheels Legacy Circle members are an exclusive group of caring individuals who have made a Planned Gift in their Will or Trust to ensure that Meals on Wheels will be here for all the frail homebound elders who will need us in the years to come. Your planned gift may be in stocks, bonds, mutual fund shares, real estate or cash. Such assets can be gifted immediately with many tax advantages, or as Planned gifts and bequests in the future.

Meals on Wheels of Contra Costa is partnered with the East Bay Community Foundation for their 75 years experience in assisting charitable nonprofit organizations such as ours in receiving a variety of gifts. To join the Meals on Wheels Legacy Circle simply let us know of your intention to make a Planned Gift to Meals on Wheels. Please contact Paul Krantz, Secretary/Treasurer of Meals on Wheels of Contra Costa at 925-646-9143 to discuss other planned giving options.
